

Broadstone Camelback

Broadstone Camelback is located on one of the most visible sites in Phoenix at the crossroads of 26th Street and Camelback, it is within walking distance of the Esplanade, Arizona Biltmore, Biltmore Shopping Center and the Camby Hotel. This desirable and walkable neighborhood offers proximity to world renowned shopping and restaurants, as well as night life. The three and four story buildings offer five varied studio, one, and two-bedroom units. The building received LEED Platinum certification.

The unique site design provides pedestrian access to adjacent retail amenities, as well as connecting paths that link office, commercial amenities, and open spaces and small parks. The well maintained grounds are surrounded technological amenities. Modern interiors include gourmet kitchens, elegant living areas, and indulgent bed and baths.
