

CityScape Residences

CityScape Residences are a collection of 224 luxury apartments that sit atop Kimpton's Hotel Palomar, located in the heart of Downtown Phoenix. This high-energy part of town includes the Valley's premier professional sports and entertainment venues, as well as views of South Mountain.

The Residences offer studio, one, two and three bedroom floor plans complete with floor to ceiling windows, as well as 23 two story penthouse units on the top floors.

Residents can enjoy hotel amenities, while being a part of the mixed use complex.
